Energy

New Roots Herbal's **Energy** formula is a well balanced combination of nutrients designed to promote energy and increase stamina.

What Does New Roots Herbal's Energy Contain?

Royal jelly (6% 10-HDA) is a highly nutritive substance that is said to increase vigour and youthfulness. It has a powerful stimulating effect on the adrenal glands, helping to increase stamina and energy levels.

Bee pollen (multifloral) has long been valued for its ability to increase energy and stamina. It is a favourite among athletes, who report an improvement in athletic ability with bee pollen use.

Astragalus (16% polysaccharides) is one of the most valued herbs in the East. It is especially wonderful for increasing energy, stamina and building up the body's resistance. It is a tonifying herb that helps to balance the body's systems.

Red panax ginseng (20% ginsenosides) is known as the king of all energy tonics. It stimulates the whole body, helping to overcome stress, fatigue and weakness.

Licorice root (10% extract) is well known for its ability to help with stress and energy. It contains substances similar to the body's adrenal cortical hormones, making it ideal for those suffering with adrenal insufficiency and exhaustion.

Each vegetable capsule contains:

Bee pollen	250 mg
Astragalus (<i>Astragalus membranaceus</i>) root extract, 16% polysaccharides	20 mg
Ginseng (<i>Panax ginseng</i>) root and leaves extract, 20% ginsenosides	10 mg
Siberian ginseng (<i>Eleutherococcus senticosus</i>) root extract, 0.8% eleutherosides	100 mg
D-Ribose	300 mg
N,N-Dimethylglycine hydrochloride	35 mg

Other ingredients: Licorice (*Glycyrrhiza* spp.) root extract, 10% glycyrrhizinic acid (25 mg); vegetable stearic acid; microcrystalline cellulose; silicon dioxide; and vegetable magnesium stearate in a non-GMO vegetable capsule composed of vegetable carbohydrate gum and purified water.

NPN 80045018 · V0061-R7

Suggested use:

Adults 18+: Take 1 capsule once or twice daily or as directed by your health-care practitioner. Consult a health-care practitioner for use beyond 1 month.

Manufactured under strict GMP (Good Manufacturing Practices).
