# Multi-Max Immune

## The Formula for Feeling Great

**Multi-Max Immune** is formulated with 21 synergistic nutraceuticals to help the body recognize vitamins and absorb them better. Antioxidants are present to block free radicals and help prevent heart disease, cancer, and other conditions associated with aging. **Multi-Max Immune** will make you feel better, look better and, best of all, ensure your body has the nutrients that it needs to stay healthy and fight disease.

**Multi-Max Immune** capsules  
are made from vegetable sources  
that are certified non-GMO.

**Multi-Max Immune** can:

- Increase energy
- Improve digestive problems
- Establish a proper pH in the intestines
- Stimulate detoxification
- Improve mental alertness
- Protect against free radicals
- Enhance the immune system

**Multi-Max Immune** offers you and your family the basic essential vitamins (A, Bs, C, D, and E), minerals, lipotropics, and amino acids needed to support the immune system.

### How Multi-Max Immune boosts your immune system:

**Riboflavin-5'-Phosphate** is added to ensure the body enjoys the full benefits of vitamin B2. This form of vitamin B2 is sometimes referred to as "activated riboflavin" because of its fast-acting effects in the body.

**Inositol Hexanicotinate, Flush-Free**—This inositol-bound form of niacin is slowly metabolized in the body and releases niacin over a period of time, without causing the characteristic red flush of the skin that may occur when larger doses are administered.

**Pyridoxal-5'-Phosphate**—This is the active coenzyme form of vitamin B6. New Roots Herbal uses this form, as it doesn't have to be processed by the liver because of its enzyme form and is immediately assimilated.

**Green Tea Extract**—Epigallocatechin-3-gallate (EGCG) is an antioxidant isolate found in green tea that helps protect the skin from tumour formation and UV radiation-induced damage. EGCG has also been shown to dramatically reduce the early stages of breast disease.

**Free Plant Sterols**—*beta*-Sitosterols have been shown to inhibit tumors, reduce cholesterol, treat atherosclerosis and ulcers, and modulate the immune system.

**Resveratrol, Astaxanthin, and Zeaxanthin**—Resveratrol belongs to the phytoalexin class of phytochemicals, and functions as a moderate antioxidant, quenching free-radical damage linked to several cancers. Astaxanthin and zeaxanthin are naturally occurring powerful biological antioxidants. They protect cell membranes, cells, and tissues against lipid peroxidation and oxidative damage of LDL-cholesterol.

**Bovine Colostrum** rebuilds the immune system, destroys viruses, bacteria and fungi, accelerates healing of all body tissue, helps with weight loss, burns fat, increases bone and lean muscle mass, and slows down and even reverses aging. Colostrum has antioxidant properties, anti-inflammatory benefits, and is a source of many vitamins, minerals, enzymes and amino acids.

**Coenzyme Q10** can supply or remove oxygen from biologically active molecules. Coenzyme Q10 possesses the ability to protect the heart during periods of ischemia, or oxygen deprivation.

**Choline Bitartrate** helps the body metabolize fat and cholesterol. It can also help improve memory, especially during the golden years. As a lipotropic, choline prevents the lubricating infiltration of the liver by supporting phospholipid formation.

**Multi-Max Immune** contains advanced forms of vitamins and minerals, and 21 specific nutraceuticals designed to boost your immune system. More than just a multivitamin, **Multi-Max Immune** provides broad-spectrum support for your body's optimum health.

# Multi-Max Immune

## Ingredients:

2 capsules . . . . . 8 capsules

### Vitamins:

D3 (cholecalciferol)	150 IU	600 IU
E (D-alpha-tocopherol) from non-GMO sunflower	15.048 mg (22.5 IU)	60.192 mg (90 IU)
C (from calcium ascorbate)	61.25 mg	245 mg
B1 (thiamine hydrochloride)	8.75 mg	35 mg
B2 (riboflavin / riboflavine)	8.75 mg	35 mg
B2 (riboflavin-5'-phosphate)	3.75 mg	15 mg
B3 (niacinamide)	25 mg	100 mg
B3 (inositol hexanicotinate, flush-free)	25 mg	100 mg
B5 (calcium D-pantothenate)	50 mg	200 mg
B6 (pyridoxine hydrochloride)	50 mg	200 mg
B6 (pyridoxal-5'-phosphate)	2.5 mg	10 mg
B12 (methylcobalamin)	250 mcg	1000 mcg
Biotin	75 mcg	300 mcg
Folate (from calcium L-5-methyltetrahydrofolate)	250 mcg	1000 mcg

### Minerals:

Magnesium (from magnesium citrate)	75 mg	300 mg
Calcium (from calcium citrate)	62.5 mg	250 mg
Potassium (from potassium citrate)	6.25 mg	25 mg
Zinc (from zinc citrate)	6.25 mg	25 mg
Manganese (from manganese citrate)	3.75 mg	15 mg
Copper (from copper gluconate)	1 mg	4 mg
Boron (from boron citrate)	0.5 mg	2 mg
Molybdenum (from molybdenum citrate)	87.5 mcg	350 mcg
Chromium (from chromium HVP chelate)	62.5 mcg	250 mcg
Selenium (HVP chelate)	50 mcg	200 mcg
Iodine (from potassium iodide)	25 mcg	100 mcg

### Amino Acids:

DL-Methionine	50 mg	200 mg
L-Cysteine hydrochloride monohydrate	7.5 mg	30 mg
N,N-Dimethylglycine (DMG)	6.25 mg	25 mg
L-Taurine (2-aminoethanesulfonic acid)	6.25 mg	25 mg

### Supplements/Nutraceuticals:

Grape ( <i>Vitis vinifera</i> ) seed extract, 95% proanthocyanidins	7.5 mg	30 mg
Green tea ( <i>Camellia sinensis</i> ) leaf extract, 50% polyphenols	50 mg	200 mg
Free plant sterols (from non-GMO soy)	38.75 mg	155 mg
Choline bitartrate	31.75 mg	127 mg
para-Aminobenzoic acid (PABA)	18.75 mg	75 mg
DL-alpha-Lipoic acid	12.5 mg	50 mg
Betaine hydrochloride	12.5 mg	50 mg
Rutin	11.25 mg	45 mg
Japanese knotweed ( <i>Fallopia japonica</i> ) root, 50% resveratrol	10 mg	40 mg
Inositol ( <i>myo</i> -inositol)	8.75 mg	35 mg
Bovine colostrum (from <i>Bos taurus</i> ), 30% immunoglobulins G (IgG)	7.5 mg	30 mg
Organic spirulina ( <i>Spirulina platensis</i> )	7.5 mg	30 mg
Hesperidin (from bitter orange [ <i>Citrus x aurantium</i> ] fruit)	7.5 mg	30 mg
Lutein (from marigold [ <i>Tagetes erecta</i> ])	312 mcg	1248 mcg
Coenzyme Q10 (ubiquinone-10) (from fermentation)	6 mg	24 mg
Tomato ( <i>Solanum lycopersicum</i> ) flesh extract, 10% lycopene	2.5 mg	10 mg
Lecithin (from non-GMO sunflower oil)	3.75 mg	15 mg
Haematococcus pluvialis extract, 2% astaxanthin	1 mg	4 mg
Zeaxanthin (from marigold [ <i>Tagetes erecta</i> ])	200 mcg	800 mcg
Black pepper ( <i>Piper nigrum</i> ) fruit extract, 95% piperine	200 mcg	800 mcg

**Other ingredients:** Vegetable magnesium stearate, silicon dioxide, arabinogalactan (25 mg per 2 capsules), and microcrystalline cellulose in a non-GMO vegetable capsule composed of vegetable carbohydrate gum and purified water.

NPN 80046526 · V0286-R11

### Directions of use:

**Adults:** Take 2 capsules two to four times daily with meals or as directed by your health-care practitioner. If you are taking other medications, take this product a few hours before or after them. Consult a health-care practitioner for use beyond 4 weeks.

Manufactured under strict GMP (Good Manufacturing Practices).
